DECODING YOUR WORLD

ACTIVITY 2: THE CODEOKU CHALLENGE ACTIVITY SHEET

LEVEL: **GENERAL**

Teachers/Parents - for guidance please see our Artemis Fowl: Decoding Your World Home Learning Guide and Teaching Notes

INSTRUCTIONS

- The rules are simple but solving the puzzle is fiendishly difficult.
- Each row, column and square (four spaces each) needs to be filled out with the four Gnommish symbols, without repeating any symbols within the row, column or rectangle.
- Complete this grid using just these Gnommish symbols, which can be found on the **Artemis Fowl: Decoding Your World poster**.

What word can you make from the four letters?

For answers, please see solutions page.
