

Those who we meet on our extracurricular journey will be treated with empathy and understanding. Mutual care and respectful communication are the underpinning goals to be adopted by all members of the organisation.

Instilling the joy of learning ,collaboration and giving in those who take part in our projects, is to be the overarching aim of all we do.

Among children of primary school age (5 to 10 year olds), 14.4% had a probable mental disorder in 2020

In Westminster, 14.2% of residents were estimated to be earning below the Living Wage in 2021

A positive correlation between the length of time children are involved with CU activities and their attainment and exam performance .

Our mission is to provide a space of safety, kindness, happiness and adventure within the education system for all children to appease the challenges presented by socio-economic disadvantage.

Goals:
Safety

Happiness

Adventure

Kindness

Learning

Those who collaborate to provide opportunity through our project are to be as committed as we are to ensure that everyone who joins us feels valued, respected and seen.

The relationships we build are to be purposeful and enable further networking and support for those who seek it.
